NOTE.

DEVELOPMENT OF KALANADI SCHEME AS A MULTI-PURPOSE PROJECT ON THE MODEL OF THE DAMODAR VALLEY PROJECT.

A pamphlet issued by the Government of Bombay in regard to the Scheme is enclosed. It will be observed that the scheme is described as mainly a hydro-electric scheme. It is reported that Messrs. Associated Consulting Engineers(India) of Bombay and London have made a preliminary report after investigation in 1947. This report is reported to be under scrutiny by the Government of Bombay. No reference has yet been received by the Government of India from the Bombay Government regarding the development of Kalanadi scheme as a multipurpose project on the model of the Damodar Valley Project.

Bombay.

Sub:- Development of Malaprabha Scheme as a multipurpose project on the model of the Damodar Valley Project.

Sir,

Our Chamber representatives met the Hon'ble, Shri. Prakasa, the Minister for Natural Resources and Scientific Research, Government of India in the 1st week of this month at new-Delhi and discussed with him the possibilities of the development of the Malaprabha scheme as a multipurpose project. The Minister has forwarded a note on the subject giving the views of the Government of India which we are enclosing herewith for your information.

We have to request you to send us a copy of the pamphlet issued by the Government of Bombay to which a reference has been made in the Note but has not been received by us. We should also like to know the action taken on the report of M/S. Associated Consulting Engineers, and whether it would not be proper to execute the scheme on the model of the Damodar Valley Project. Your Government's detailed remarks on the Government of India's Note will be very much appreciated by the public.

Awaiting the favour of an early reply,

Yours faithfully,
R. V. Limaye
Secretary.

2. Please see the letter from the Karnatak Chamber of Commerce within. Presumably the Pamphlet on the Kalinadi Hydro Electric Project put up below is the pamphlet refd. to by them. A copy thereof may be forwarded to the Karnatak Chamber of Commerce as per draft P-1' put up for approval.

3. As regards the Project it may be stated that the Associated Consulting Engrs. have estimated the capital cost at Rs.39.28 crores for the whole project comprising of 4 generating stations at (1) Supa (2) Nagjhari, (3) Kaneri and (4) Lower Kalinadi Stations. After considering the report of the consultants it has been decided to take up initially the development of one power station at Supa, capable of supplying about 60,000 kW. power to the Dists. of Dharwar, Belgaum and Bijapur. The estimated cost of this work is 12.12 crores. The Karnatak Chamber of Commerce may be informed as per draft for approval.

Subject: Development of Kalinadi Scheme.

....

Dear Sir,

P-1

I am directed to refer to your letter No.H.6/340, dated the 26-4-51, on the above subject, and to state that the report of Messrs. Associated Consulting Engineers on the Kalinadi Hydro-Electric Scheme was duly considered by Govt. The above consultants have expressed an opinion that large blocks of power could be economically generated at the generating stations ~~mf~~ at (1) Supa, (2) Nagjhari, (3) Kaneri and (4) Lower Kalinadi Stations. ~~This Govt. intends to take up~~ initially ....

Initially the development of one power station at Supa, capable of supplying about 60,000 kW. power to the Dists. of Dharwar, Belgaum and Bijapur ~~be executed.~~ may be taken up. The estimated cost of the Station is about Rs.1212 lakhs. It is not however not proposed to undertake the Scheme in the next five years, on account of large commitments already made by the Govt in respect of other Electricity Schemes & schemes in progress.

2. A copy of the pamphlet on the Kalinadi Hydro-Electric Project is enclosed.

Yours faithfully,

Asstt.Secy. to the G. of B..
